Measuring Effectiveness Policy**

Adopted November 6, 2019

In order to regularly assess its effectiveness in achieving its mission, the FOLPLF Board of Directors has adopted the following policy:

1. At least once every two years beginning in 2019, FOLPLF will formally evaluate the success and impact of its programs in fulfilling its mission, goals and objectives.
2. Based on the findings, future actions to achieve the long-term overall mission may be recommended as appropriate.
3. The assessment will be conducted by the FOLPLF Board, or by a Performance & Effectiveness committee established by the Board. In addition to Board members, this committee may also include FOLPLF members in good standing, FOLPLF donors, and other constituents as determined and appointed by the Board.
4. The completed assessment will be provided in written form to the Board for approval.
